Economic & Political WEEKLY

How Will Budget 2017 Impact the Economy in the Aftermath of Demonetisation

Date : Thursday 12 January, 2017
9.00 a.m. - 1.00 p.m.

Venue: The Great Room, Hotel Four Seasons, Worli, Mumbai 400 018

The Union Budget for 2017-18 is expected to be announced by the Finance Minister on 1 February 2017. Unlike in the past, the budget is being presented a month ahead of schedule. The 8 November decision of the government to declare that high-denomination currency notes would not be considered legal tender is unprecedented and has impacted the working of the Indian economy. The decision is bound to influence the budget proposals.

The Bombay Chamber of Commerce & Industry with the Economic and Political Weekly as its knowledge partner are jointly organising a discussion on the theme with eminent persons. Details of the Keynote Speakers and Panelists follow.

Your presence and active participation will be welcome.
