

“Economic & Political Weekly” (EPW) is a leading Indian magazine of economic and political analysis. It is published weekly, except during the festival season. The magazine covers a wide range of issues, including national and international politics, economics, social issues, and environmental concerns. It is known for its in-depth reporting and critical analysis of current events.

The magazine is published by the Economic & Political Weekly Trust, which is a non-profit organization. The trust is headed by the Editor, who is responsible for the overall content and direction of the magazine. The Editor is assisted by a Managing Editor and several other staff members. The magazine is published in English and is available online through the EPW website. The magazine is also available in print form, which is distributed to subscribers across India and abroad. The magazine is known for its high-quality journalism and its commitment to providing a platform for diverse voices in the Indian media landscape.

The magazine's content is primarily focused on economic and political issues. It covers a wide range of topics, including national and international politics, economics, social issues, and environmental concerns. The magazine is known for its in-depth reporting and critical analysis of current events.
